WORK EXPERIENCE

Dr. Jitendra Ashtekar's Sai Diagnostic Center, Nagpur - Intern

Aug 2022 - Feb 2023

- As a CT-scan technician trainee, I have gained valuable experience operating and maintaining CT-scanning equipment, conducting patient assessments, and ensuring patient safety during scanning.
- During my training, I have also developed excellent communication and interpersonal skills, allowing me to communicate effectively with patients and medical professionals to provide high-quality care. I have strong attention to detail and follow strict protocols to ensure that every scan is accurate and reliable.

EDUCATION

Nutan Adarsh Mahavidyalaya, Umred – HSC

Aug 2019 - Feb 2020

Percentage- 53.54%

MEDSET Health Care Institute, Nagpur – CT-SCAN Technician

May 2021 - May 2022

- As a fresher, I have learned about the principles of CT-scan imaging, patient care, and safety, as well as how to operate and maintain CT-scanning equipment.
- I have also gained hands-on experience conducting CT scans and interpreting and analyzing images. With a Diploma in CT-scan Technician, I am well-equipped to pursue a rewarding career in healthcare, working in hospitals, diagnostic centers, and other medical facilities.
